Dear Parents and Carers

Announcement of Opening of Schools to Some Year Groups

We hope you and your family are fit and well during this unprecedented National Crisis. We are missing you all very much and cannot wait until a time we can all be together again.

As many of you will have seen last night Boris Johnson announced that schools may open to some primary school year groups soon. I just wanted to update you all that watching Boris announcement last night was also the first notice I had that schools may reopen before the summer. Currently the announcement last night is the only information we have had and we have not received any further guidance so far today.

As soon as I receive any further information, I will write to you again and let you know the next steps. In the meantime, I would like to gather your thoughts about the potential for schools reopening.

Please follow the link below to tell us your opinions. As always, I welcome your opinions and look forward to your responses.

We are missing you all so much but want you to stay safe so we can see all our Wansbeck family back together as soon as it is safe to do so.

Yours Sincerely

Sam Bullen
Headteacher
